The case must be presented within two years or as stipulated by the domestic law of a Contracting State, from the first notification of the action resulting in taxation not in accordance with the provisions of this Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of this Agreement.

4. The competent authorities of the Contracting States may through consultations develop appropriate procedures, conditions, methods and techniques for the implementation of the mutual agreement procedure provided for in this Article. 1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement relevant or to the administration or enforcement of the domestic laws of the Contracting State concerning taxes covered by this Agreement imposed on behalf of a Contracting State, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to this Agreement. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in agency or a fiduciary capacity or because it relates to ownership interests in a person.
